

Bellefonte Little League Sign Sponsor Information | 2018 Season

Sign Sponsor Coordinator: Becky Swentosky

email: baseball@bellefontelittleleague.org

SIGN PRODUCTION:

Bellefonte Little League works directly with Gavek Graphics to create all sponsored signs for Webster Field. Your business is responsible for sending your graphics to our Sign Sponsor Coordinator, and we will take it from there. You will be involved in the proof process, and will have the final approval of your sign before it is created and displayed at Webster Field.

TIMELINE:

Turnaround time for signs to be displayed, from time of payment and submission of graphics to print, is 2-3 weeks. ***Our current Opening Day deadline for both payment and submission of graphics is March 2, 2018.***

RATES:

The Bellefonte Little League new sign rate is **\$325**. This covers the cost of your sign, a two year display at Webster Field, and a two year warranty on your sign. After two years, your business will be billed annually for continued display of your sign. The current annual sign display rate is **\$125/yr**. The good quality life expectancy of Gavek Graphics signs is 7+ years. We are hoping to get 7 to 10 quality years out of each sign.

PAYMENT:

Checks can be made payable to **Bellefonte Little League**. An invoice will be created for your business, and you may choose to pay it by mail, or give it directly to our Sign Sponsor Coordinator. Once payment is received, the graphics process will begin.

Please contact our Sign Sponsor Coordinator with any additional questions, or to begin the process to become a Bellefonte Little League Sign Sponsor. Contact information is at the top of this form.
