

Bellefonte Little League's equipment safety guide for coaches and parents

Helmets

All players participating in the Bellefonte Little League are **REQUIRED** to have helmets with face-mask attached.

By Little league Rule No stickers or labels other than ones approved by the manufacture of the helmet may be applied.

Hit-sticks

Passed by the Bellefonte Little League board in 2005

The Bellefonte Little League Board of Directors passed the banning of HIT STICKS for all teams within the league and any team that will be playing at Webster Field. This effects ALL Bellefonte League teams activities in the league including off-site practices. It is also in effect for the Bellefonte midsummer tournaments and ALL teams participating. This is for the safety of all the players, coaches and fans

Traditional Donuts

By Little League Rule The traditional batting donut is not permissible. The only player during the game permitted to have a bat in their hands is the batter.

Catcher's Mask Throat Guard

By Little League Rule ALL catcher's mask **MUST** have a "dangling" throat guard attached.
