

League's evaluation and skill camp Covid-19 protocols

Limit evaluators (3 people per team) to help limit exposure

To comply with the State's health department mask requirements Everyone must wear a mask. Including players, instructor/volunteers, and evaluators.

Player's ball bag and equipment to be placed in the "sitting area" and spread out to encourage social distance and to prevent any accidental sharing of equipment.

Each station's line needs to run away from one another when possible. to avoid gatherings of groups and players.

The League will bring our own and sanitizing wipes and hand sanitizer.

League should supply more equipment than normal so we can sanitize equipment and make sure players do not need to share equipment.

Players should not share equipment.

Parents or guardians are requested to leave the building.

Players should show up during the time they are assigned. Unless they contact the League and made prior arrangements.
